ESSENTIAL ELECTROLYTES

Helps Increase Performance and Promotes Faster Recovery*

Electrolyte Recharge!*

Helps Promote Muscle Function*

Electrolytes are Essential to the Body.* Electrolyte imbalance can be caused by exercise, strenuous activity, low carb/keto diet, or just spending a day in the hot sun. Quickly supply electrolytes to your body with NutriBiotic® Essential Electrolytes to help increase performance and promote faster recovery.*

- **Help Support Muscle Function*:** NutriBiotic Essential Electrolytes help increase performance by promoting electrical impulse function when taken prior to light athletic activities.*

- **Help Promote Faster Recovery*:** These convenient vegan capsules also quickly help to rehydrate by replenishing lost (through sweating) and utilized (through use) electrolytes when taken after these activities.*

Easy, On the Go Capsules

NutriBiotic Essential Electrolytes combine 100 mg of pharmaceutical grade vitamin C with electrolytes (chloride, potassium, sodium, calcium, magnesium, zinc, and chromium) in easy, convenient capsules, perfect for on the go activities.
