2-Phase Calm System: Immediate Calm + Extended Stress Support

For Modern Stress Support*

NutriBiotic DualRelax's bi-layer tablets are designed to support stress relief through multiple pathways. Carefully selected ingredients help promote a sense of calm when you need it most, while targeted nutrients and botanicals provide ongoing support for balance throughout the day. DualRelax features GABA, magnesium, lemon balm, passionflower, and ashwagandha, which help support a calm mind, relaxed body, and balanced response to everyday stress without drowsiness.

Feel calmer.
Stay balanced.
Find your peace.
